Either package can be adjusted around your event — a reception drink only, a per-table allocation set down before guests arrive, or a bar tab on consumption. Tell us the shape of the evening and we will price it.

How We Work

From first enquiry to the last plate cleared.

01

Get in touch

Tell us the date, the venue, rough numbers and what the event is for. We respond within 24 hours.

02

Proposal & menu

We talk through the format, your guests, dietary needs and budget, then build a costed proposal around them.

03

The tasting

For seated dinners and larger events we invite you to taste the menu. We refine until it is right.

04

Event day

We arrive early, set up without fuss, serve, clear and leave the room as we found it.

What we bring

A full kitchen and service brigade · crockery, cutlery and glassware · linen and table dress · chafing and hot-hold equipment · teas and coffees · allergen and dietary documentation for your guests. We work in offices, hired venues, marquees and spaces with no kitchen at all.
